## Announcement of Forty Year Anniversary Sale

With brief history of forty years in the Purebred Shorthorn business

October 17, 1907—just forty years ago—the Silver Vale herd of Scotch Shorthorn cattle was established by W. B. Robinson, by the purchase of the top two year old heifer of the sale from the famous Chandler Jordan herd of Central City, Iowa, and a choice open heifer of the Rosebud family from the William Hale herd of Anamosa, Iowa. This Rosebud family has been in the herd continuously and five head are included in this sale.

Through the use of outstanding herd bulls at all times our production has ranked high in shows and sales and distribution of breeding stock to farmers and breeders of Iowa. One of the first bulls used in this herd was Roan Masterpiece, a prize winner at the International, a grandson of Cumberland's Last. He was succeeded by Secret Star a half brother to Cornerstone, Junior Champion at the 1916 International. He was a direct descendant of Choice Goods, a very popular line of breeding at that time. Victor's Excellence was another great breeding bull used and shown by us. He was of the Villager strain and stood second as a yearling at the Iowa State Fair. During the years that we owned him he was shown quite extensively at County and District Fairs. Neither he nor his get-of-sire class were ever defeated. He left a great imprint on the herd. Some of the recent herd bulls we have used were Rosewood Ring by Imp. Collynie Golden Ring, Helfred Revolution by Collynie Clipper Star; Browndale Gainford, a grandson of Gainford Champion; Dreadnaught Banker of the popular Dreadnaught strain; Goldspur Leader, top bull in the Gilbert Kardel sale of 1942. The more recent bulls used and those whose get are featured in this sale are Helfred Caledonia by Brae Lodge Headlight, second high bull in the 1942 Iowa State Sale; and Goldfinder's Sultan by Goldfinder Supreme.

To the student of Shorthorn pedigrees it will be noted that the blood of practically all the most prominent and prize winning herd bulls of the past forty years has been used in this herd. It has also been the policy of Silver Vale Farm to add from time to time females for the breeding herd, using care to select good individuals with choice pedigrees.

In presenting you this catalog we take real pleasure in extending a cordial invitation to all farmers and breeders of Shorthorn cattle to be with us sale day whether in the market for cattle or not.

We have learned through years of experience that our best advertisement is satisfied customers, and with that fact in mind we are offering a clean, healthy lot of cattle, just in good breeding condition which will insure their future usefulness and make money for the purchaser.

It is a great source of satisfaction to have our old friends and customers coming back year after year with their favorable comments on former purchases. This is as it should be. Our large herd maintained at peak production affords an opportunity for buyers to secure good cattle produced in a practical manner and under ordinary farm conditions.

Our last sale was very satisfactory. The cattle proved profitable to the many buyers and we have had excellent reports on their development and performance.

We are not using photographs excepting for herd bulls, but are selling these cattle on their merits alone. Come early and inspect the herd before the sale begins. We hope you will plan to be with us.

L. AND A. T. ROBINSON,  
Masonville, Iowa

## *Announcement*

Inasmuch as L. and A. T. Robinson have asked us to participate with them to make the usual number of cattle for a sale offering we have selected all young cattle from our herd to give the buyers an opportunity to buy cattle with many years of usefulness ahead of them. It is with a great deal of pride that we present this offering for your approval, and it is with much more pleasure that we extend to all those interested in good Shorthorn cattle a most cordial invitation to the Robinson farm on the occasion of our 3rd auction sale. Particularly are we happy that this sale will feature a considerable amount of Browndale and Joffre Breeding. For it is through these two Blood lines that many Champions and reserve Championships have been won in some of the major shows of this country.

Browndale Stamp represents the very best of this breeding. Ample evidence of the worth of Browndale Stamp, is the winning of the Championship at the 1940 International by his half brother, Helfred Sunray.

Joffre Gloster 10th is a son of an International 1st prize winner and is sireing that same kind of low down, thick calves for us that have been winning the Steer Championships at Denver, Colorado. A roan daughter of Joffre Gloster 10th was Grand Champion Baby Beef over all breeds at the Delaware County Fair two years ago. He is really sireing the "Right Kind" as you will see by his "GET" in this sale.

We again invite you to be with us on Friday, October 17th.

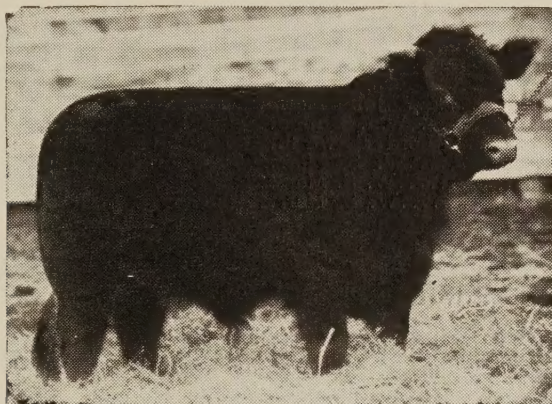

M. R. MAURER AND SON,  
Manchester, Iowa.

Goldfinder's Sultan was bought two years ago from Ben G. Studer of Wesley, Iowa. He was used most successfully in that herd for three years and sired a very thick typy lot of heifers that were retained in Mr. Studer's breeding herd. Goldfinder's Sultan is by Supreme Goldfinder, one of the greatest sires of modern times. A study of his pedigree will reveal the names of such great bulls as Scottish Admiral, Sni-a-Bar Golden Ring, Prentice Oakdale Stanmore, Collynie Clipper Star and Browndale Goldspur—every one top ranking sires in the breed's history.

Six bulls, seven open heifers, and all calves at side of dams are by him.

His first crop of calves for us are turning one year old and every cattle man who has visited the farm this summer says that we have the best calf crop ever seen on the farm. Come to the sale and see them, we are sure you will agree with them.

In regard to the cattle of this family in our herd, let us repeat the footnote in our 1941 catalog and again in the 1945 sale. We purchased our foundation cow in the C. E. Tilton dispersion and she has proven a great breeding cow. They are rapid producers combined with a beautiful pedigree. We are selling three bred heifers, all roan. It was a heifer of this family that topped our 1945 sale, selling to Herman Helgin of Monticello. Bred April 30 to Goldfinder Sultan.

**SHORTHORN STEERS** made a clean sweep of the **GRAND AND RESERVE GRAND CHAMPIONSHIPS** over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, **ROYAL JUPITER**; (right) the Reserve Grand Champion, **WYOMING CHALLENGER STANDARD**; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
